

Hi! We're fresh!

Our pretzels are baked fresh daily, without preservatives or artificial ingredients. If you don't gobble them all up the same day you receive them (*and we wouldn't blame you if you did*) then freeze them in the bags they are packaged in for up to 6 months.

TOAST BEFORE YOU PROST!

For the perfect pretzel experience please follow the reheating instructions below. Doing so will ensure a crispy, nutty brown outside, a soft and pillowy inside and that classic Bavarian pretzel taste!

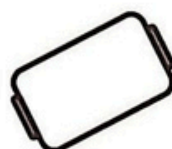

REHEATING INSTRUCTIONS
